

SIX EIGHT NINE

NAPA VALLEY

REDWINE
2016

The Year

2016 in Napa Valley was marked by early bud break and a long growing season, with no extreme heat spikes. The extended hangtime allowed the grapes to develop concentrated and complex flavors, resulting in stunning wines of exceptional quality.

Notes

Zinfandel, Cabernet and Merlot make up the three major components of this years' blend. Zinfandel presents brightness and jam, Cabernet gives depth and Merlot offers softness and roundness. Syrah and Petite Sirah provide backbone to the wine, bringing the individual parts together as one.

Our 2016 vintage is juicy and bright with abundant amounts of opulent red fruit. Aromas of rich, wild berries entice the nose while layers of luscious cherry, blackberry and a touch of chocolate coat the palate. The finish highlights depth and balance, combining soft tannins in the background with a hint of spice and licorice. Taste a wine with personality and character that is ready to be enjoyed with friends!
